

RQI for NRP Ready Essentials OR Advanced Endorsement

Instructors:

Courses will need to be created on the NRP Learning platform so that learners can search and register for the class. The instructions below are intended to guide instructors on the process of creating and then finalizing events.

1. Navigate to the NRP LP site to create your course www.nrplearningplatform.com
2. Click on the Events tab at the top of the page

3. Click on 

4. Name the Event using the following naming convention:

IU Health + facility location + course type

Example: IU Health Ball Advanced Endorsement

5. Choose the type of ILT you will be offering.
 - a. Choose the **Essentials Prep** for the RQI NRP Ready Essentials
 - b. Choose the **Advanced Endorsement** for the advanced endorsement course

FAQs

Can I add students to the roster?

YES. Learners will be self registering. But, instructors can pull students into a created course. Learners MUST have at least launched the Ready Essentials or Advanced Endorsement Course. The NRP LP will not allow instructors to pull a student into an event they have not at least launched from their assignment in eLMS

Can I remove students from the roster?

Yes. Check the box next to the students name on the roster and click Delete Student

How can I tell if students have completed their course pre-requisites?

There is a column on the roster that will indicate if the student has completed all pre-work for the course

<input checked="" type="checkbox"/>	Student Name	Email Address	Provider Curriculum	Job Title	Parti Status	Status
<input checked="" type="checkbox"/>	Kristen Olsen	kolsen@iuhealth.org	Advanced Endorsement	N/A	N/A	Registered

Can I complete a course if all of the students haven't completed their pre-work?

Yes. That student will not be completed until such time as they complete the prework.
