

## **Residents, Fellows and Medical Students Cardiopulmonary Resuscitation (CPR) Certification Compliance Implementation Addendum**

In order to comply with *Resident & Medical Student ACLS/BLS/PALS Certification Compliance Policy, ADM 3.49*, IU Health has devised the following implementation plan:

1. IU Health will provide AHA Approved Certification training for BLS, ACLS, and PALS, to Residents, Fellows, and Medical Students from October 1, 2016 – March 31, 2017.
2. All Residents, Fellows and Medical Students must provide validated certification, as required per policy, to IU Health by April 1, 2017.

## **Residents, Fellows and Medical Students Cardiopulmonary Resuscitation (CPR) Certification Compliance Post-Implementation Remediation and Extension Addendum 2**

In order to comply with *Resident & Medical Student ACLS/BLS/PALS Certification Compliance Policy, ADM 3.49*, IU Health has devised the following post-implementation remediation plan:

3. Post-Implementation remediation and extension period is from 04/01/2017-05/31/2017
4. All current Residents, Fellows and Medical Students must provide valid certification, as required per policy, to IU Health by May 31, 2017.
5. Remediation Notification Process is a Three-Tier email notification communicated bi-weekly beginning March 31, 2017.
  - a. Initial email sent to non-compliant Medical Student, Resident or Fellow from the Director of Physician Education.
  - b. Second email sent to non-compliant Medical Student, Resident or Fellow from the Director of Physician Education and including:
    - i. Program Director for Residents and Fellows
    - ii. Faculty Advisor for Medical Students
  - c. Third email sent to non-compliant Medical Student, Resident or Fellow from the Director of Physician Education and including:
    - i. Senior Associate Dean of the Office of Graduate Medical Education for Residents and Fellows
    - ii. Senior Associate Dean of the Office of Medical Student Education for Medical Students
