

Physician Education Express

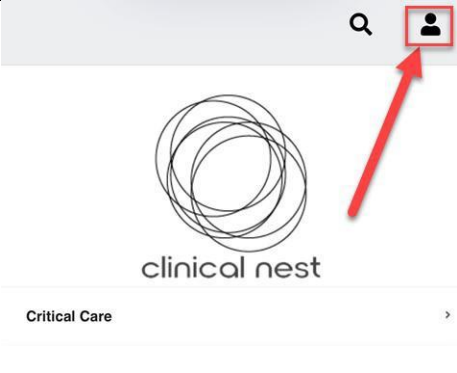

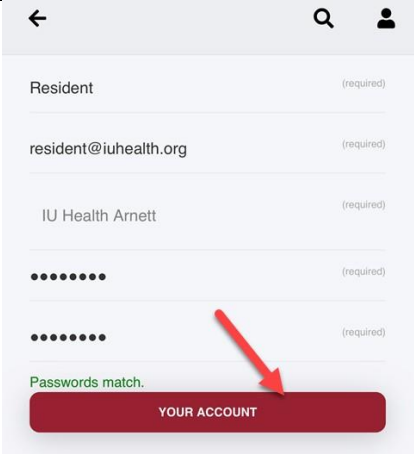

How to Access and Register for the IU Health Clinical Nest Mobile APP

Audience: Physicians, Residents, Advanced Providers
Education Level- Yellow

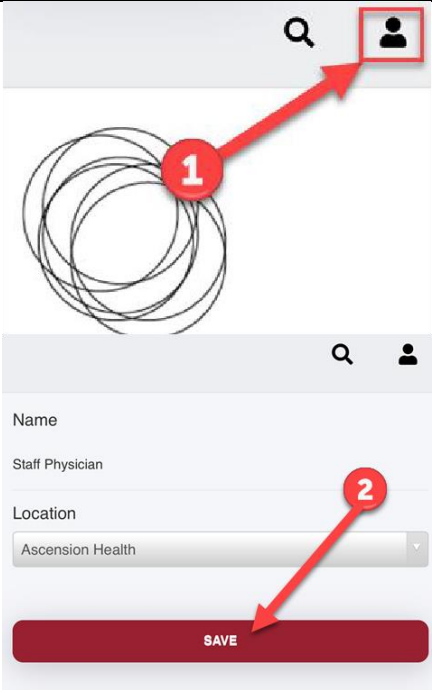

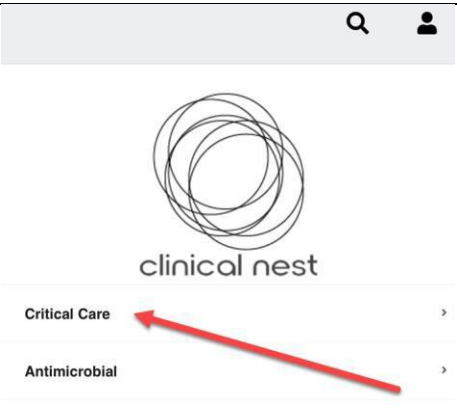

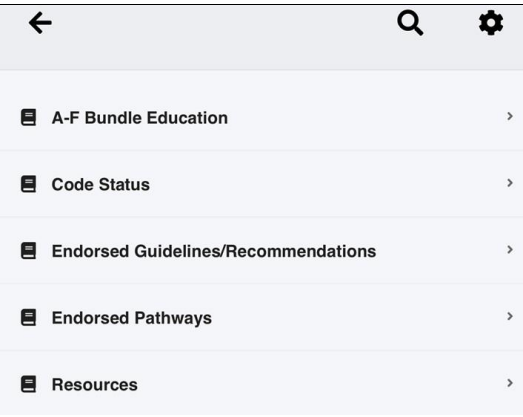

October 2020

Purpose:

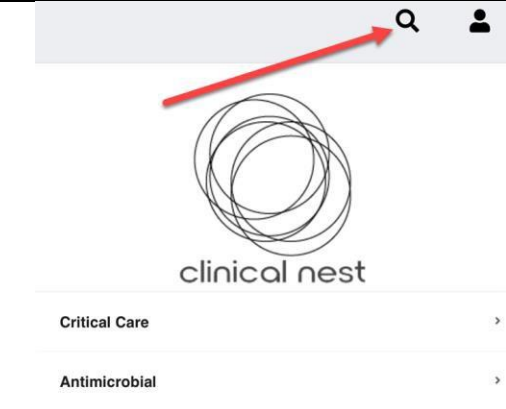

The Antibiotic (ABX) Stewardship Committee has developed an app to help physician with abx questions (pathways, use, etc.). Currently, it has been rolled out to the downtown only (with hopes to push the app system-wide in the near future).

Step	Description:	Key Point/Image/Reason
1	<p>Download the mobile app via:</p> <p>iTunes</p> <p>https://apps.apple.com/us/app/clinical-nest/id1511183120?ls=1</p> <p>Android</p> <p>https://play.google.com/store/apps/details?id=org.iuhcpe.ClinicalNest</p>	
2	<p>Select profile icon to CREATE ACCOUNT:</p>	
3	<p>To access internal IU Health only content register using IU Health NT login and selecting your corresponding IU Health facility. If you register using email, location, other than IU Health you will be restricted to viewing public information only.</p>	

<p>4</p> <p>To modify/edit profile:</p> <ol style="list-style-type: none">1. Go to profile icon2. Update corresponding info and select save		
<p>5</p> <p>Select appropriate subsection:</p>		
<p>6</p> <p>Select appropriate tertiary section:</p>		

	<p>To search for keywords select the magnifying glass icon:</p>	
8	<p>To search for content you can utilize either:</p> <ol style="list-style-type: none">1. Full Search – searches by section title or searchable content. Unable to search for content in images2. Search Tags – searches for tags, or keywords, created by content owner. This is helpful for content with images, or external links, for users to locate sections with these keywords.
