

Physician Education Express

New Dysphagia Diet Orders

Audience: Physicians, Residents, Nurse Practitioners, Physician Assistants, and Nurses
Education Level- **Yellow**

November, 2020

Transition Schedule:

We would like to alert physicians practicing downtown to be aware of this change so they can adjust dysphagia diet orders appropriately for patients that transfer for other IU Health facilities to downtown between now and March 12.

Facility	Date
Riley	08/18/20
West, Saxony, North, Tipton	10/15/20
Bloomington, Bedford, Paoli, Ball Blackford, Jay	11/17/20
