Riley Maternity and Newborn Health Project

Audience: All Providers
Education Level- ALL
Effective Immediately

Overview

Riley Maternity and Newborn Health (RMNH) project has been scheduled to open Fall 2021.

IU Health Current State:

The Riley Maternity and Newborn Health project is a new dimension of care for Riley Children's Hospital and beginning in Fall 2021, pregnant patients of all ages will present for care and treatment. Many new Maternal and Newborn inpatient services will be offered including but not limited to high risk obstetrical antenatal care, labor and delivery, and NICU.

Over the course of this next year, the goal is to keep our providers up to date with essential information as we prepare to embark on uncharted territory with optimism and preparedness.
